Understanding Financial Aid at Capital Community College

Financial Aid Staff: Margaret Malaspina, Bryan Lewis, Jose Velez

Whether you are a financial aid recipient, or would like to be one, this workshop is for you. Are you sure that you know all there is to know about receiving financial aid, work study and opportunities for scholarships as a CCC student and for your first year in a 4-year college?

The content of these two workshops will be identical. It is being offered twice to reach our Monday/Wednesday students and our Tuesday/Thursday students.

For pre-registration (so we can order enough pizza) go to
www.collegecentral.com/capital

On your homepage you will see the event dates listed.

Please tap into the date on which you can attend and it will give you the opportunity to pre-register. Share this information with friends and classmates.

If you do not already have a College Central account, please visit the Career Services Center and we will help you create one.
