

Governor Dannel Malloy Congratulates Capital Community College Nursing Program on Thirty-Five Years of Excellence in Nursing Education

The Nursing Faculty from Capital Community College were honored at the Governor's Residence on January 17th for thirty five years of student success. The Nursing Program was recognized by Governor Malloy, Dr. Robert Kennedy, Board of Regents, and CCC President Nieves for faculty with an uncompromising devotion to each student, the highest standards of patient care, a history of strong community partnerships, and an outstanding record of graduate success. Dr. Debbie Broadley, a 2001 graduate of the program, spoke about how her foundation in nursing at Capital launched her fulfilling career
