

# FAST TRACK YOUR COLLEGE MATH REQUIREMENT THROUGH CAPITAL'S NEW MATH COURSE —

## STATWAY!

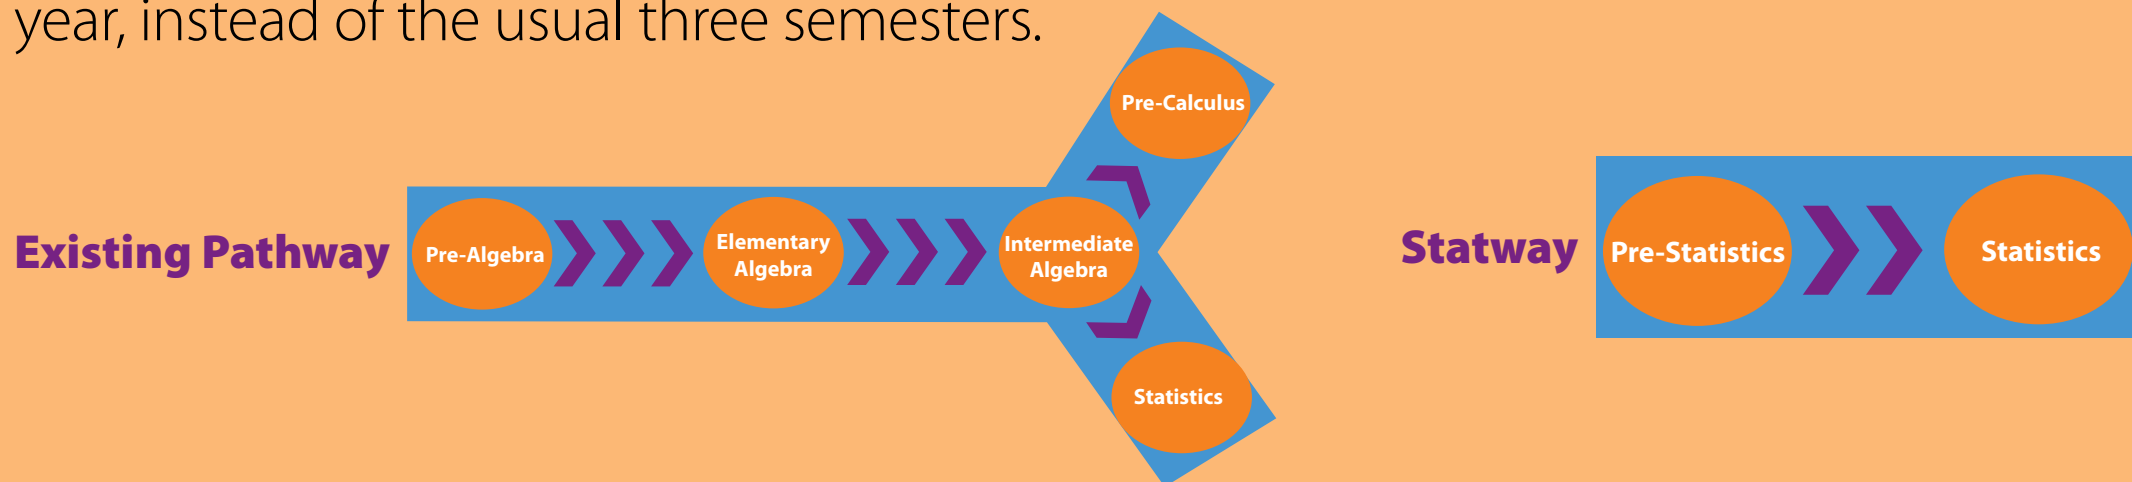

## ANXIOUS ABOUT MATH?

**The Statway is a new math course designed to build your understanding of math while fast-tracking your math requirement.**

### Who Should Take the Statway Course?

- Developmental math students
- Non-science majors
- Students interested in majors and careers in the social sciences or humanities

Students who take the Statway Course will complete transfer-level statistics in a single year, instead of the usual three semesters.

### To find out more, please contact:
