

## Strategic Planning

3/9/06 – 8:30 AM

### Agenda

Approval of minutes from 2/23/06 meeting

- I. Mission Statement Distribution
- II. Achieve the Dream Priorities
- III. Goals
- IV. Next Strategic Planning Meeting

As the years progress, what women and men will discover is that the most lasting and rewarding educational experience come not from specific information provided in a classroom lecture or assigned textbooks, but from the values obtained in active engagement in meaningful issues. We achieve for ourselves only as we appreciate the problems and concerns of others – and only as we see our lives as part of a much greater social purpose.  
Manning Marable, 1997
